1 WHEREAS, on February 12, 2026, this Court entered an Order Granting Plaintiffs'
2 Motion for Preliminary Approval of Class Action Settlement. That Order directed the
3 Settlement Administrator to provide notice to members of the Settlement Classes, which
4 informed them of: (1) the proposed settlement agreement and the agreement's key terms;
5 (2) the date, time, and location of the Final Approval Hearing; (3) the right to object to the
6 proposed agreement and the procedure for doing so; and (4) the right to opt out of the
7 proposed agreement and the procedure for doing so;

8 WHEREAS, Plaintiffs have established that Notice was disseminated as required in
9 the Preliminary Approval Order;

10 WHEREAS, the Parties entered into a Supplemental CR 2A Agreement on February
11 25, 2026 to finally resolve all disputes, and to amend the Settlement Agreement
12 preliminarily approved by the Court accordingly; and

13 WHEREAS, the Court having considered the proposed Amended Agreement and
14 Addendum thereto, as well as all papers filed, and upon conducting the Final Fairness
15 Hearing with counsel present as proscribed in the Preliminary Approval Order and set forth
16 in the Notice disseminated to the Settlement Classes;

17 NOW, ORDERS, ADJUDGES, AND DECREES AS FOLLOWS:

18 Unless otherwise provided herein, all capitalized terms in this Order shall have the
19 same meaning as set forth in the Amended Agreement and the Addendum thereto.

20 1. This Court has jurisdiction over this matter and over all Parties, including all
21 members of the three Classes. Pursuant to the agreement of the Parties, the Classes include
22 those 2,372 individuals identified by the Parties and confirmed by the Settlement
23 Administrator as Class Members.

24 2. The Notice provided to the Classes conforms with the requirements of CR 23,
25 the Washington and United States Constitutions, and any other applicable law, and
26 constitutes the best notice practicable under the circumstances, by providing individual

1 notice to all Class Members who could be identified and located through reasonable effort,
2 and by providing due and adequate notice of the proceedings and of the matters set forth
3 therein to the other Class Members. The Notice was provided to Class Members through
4 mail. The Notice fully satisfied the requirements of due process.

5 3. The Court finds that the amendments to the Settlement Agreement in the
6 Amended Agreement and the Addendum thereto do not substantively alter the Settlement
7 Agreement except they include an additional funding amount of \$175,000 to fully and
8 finally resolve all disputes. The Court finds the Amended Agreement was entered into in
9 good faith as the result of arm's-length negotiations between experienced attorneys, that
10 the Amended Agreement, and Addendum thereto, is fair, reasonable, and adequate, and
11 that the Amended Agreement and the Addendum satisfies the standards and applicable
12 requirements for final approval of this class action under Washington law, including the
13 provisions of CR 23.

14 4. Five (5) people opted out of the Amended Agreement. They are not
15 Participating Class Members and their rights are not affected by this order.

16 5. Upon entry of this Order, payments to Participating Class Members shall be
17 made in accordance with the Amended Agreement.

18 6. In addition to any recovery that Plaintiffs may receive under the Amended
19 Agreement and the Addendum, and in recognition of Plaintiffs' efforts on behalf of the
20 Classes, the Court hereby approves the payment of service awards to Plaintiffs, in the
21 amount of \$10,000 each for their service as class representatives.

22 7. The Court approves the payment of settlement administration expenses to
23 CAC for \$12,500.00 as set forth in the Amended Agreement. The settlement administration
24 expenses award shall be distributed to CAC in accordance with the terms of the Amended
25 Agreement.

8. The Court approves the payment of attorneys' fees, costs, and expenses to Class Counsel in the sum of \$1,443,197.50. The attorneys' fees and costs award shall be distributed to Class Counsel in accordance with the terms of the Amended Agreement.

9. Upon the date on which this order is entered (the "Effective Date"), Plaintiffs and all members of the Participating Classes shall have, by operation of this Order and the accompanying Judgment, fully, finally and forever released, relinquished, and discharged Defendants from all their respective claims as defined by the terms of the Amended Agreement. Upon the Effective Date, all members of the Participating Classes shall be and are hereby permanently barred and enjoined from the institution or prosecution of any and all of their respective claims released under the terms of the Amended Agreement.

10. Pursuant to the Amended Agreement and the Addendum thereto, this Order shall constitute a dismissal of this action on the merits with prejudice with respect to Defendants, without fees or costs to any party except as provided in the Amended Agreement and approved in this Order.

11. Without affecting the finality of this Final Approval Order and Judgment for the purposes of appeal, this Court shall retain jurisdiction over all matters relating to administration, consummation, enforcement, and interpretation of the Amended Agreement, the Addendum thereto, and the Final Approval Order, and for any other necessary purpose.

IT IS SO ORDERED.

DATED this 2nd day of June, 2026.
